*[ If you have school, company or sponsor info, please feel free to insert it here! ]*

Today we're fortunate to have with us Kevin Wharem, a professional stage hypnotist who lives near Fort Dodge, Iowa.

He has been a full time entertainer for over 7 years now.

During that time he's been honored to assist thousands of people, like us, to experience hypnosis in hundreds of performances, just like the one that we are about to enjoy!

He wanted me to let you know that in a few minutes he'll be asking for volunteers from our audience to be the stars of the show, and to come up and enjoy the experience of hypnosis!

Quickly becoming recognized as one of the premier stage hypnotists in the U.S., Kevin is among the most sought after entertainers available today.

He has performed his mesmerizing shows, titled the Hilarious Hypnotic Holiday, for crowds numbering from 17 to 1700!

He's here today to help enthuse, illuminate and entertain, so please help me welcome.... Kevin Wharem!!!
